his actions on townwatch etc  
cite statistics  
other shy removes ashtrays real firm!  
and what capt says  
but he says moment passes and he doesn't make point  
then to meet  
leader says shy often when they speak uncover something  
the others are thinking  
he comments on their arming and then says they should  
shoot first  
someone says newspaper trouble and tv  
no, i thought of that. designated shooter and lookout  
leader has it come to this?  
everyone bristling to speak and he cd feel fm atmosphere  
they wd back him, and the other shy person feels it too,  
takes her hand down. FUT SEX POSS  
wife: how'd it go  
guy: -sweeping her into his arms: just beautiful!
